

INSULAR (ANGLO SAXON) MINUSCULE

with Marion McKenzie

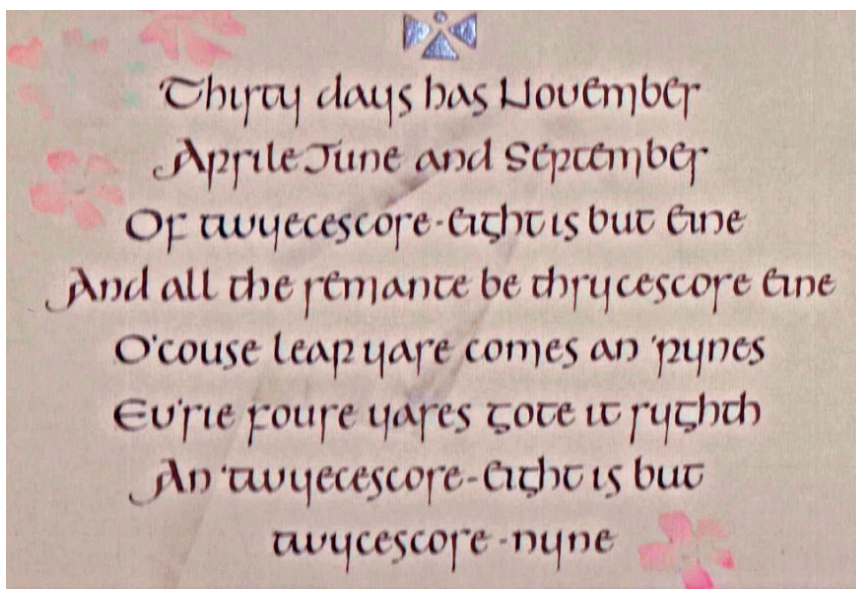

Saturday 21st September 2019

9.45am for 10.00 am start to 4.00 pm

Rockwell Green Village Hall, Rockwell Green, Wellington TA21 9BU

We will be looking to replicate this fascinating script which was both used on its own or in the gloss of older well known manuscripts such as the Lindisfarne Gospels dating in the second half of the 8th century AD.

It is suitable for all levels of calligraphic experience as long as you have some level of patience!

Equipment required is minimal:

Several sheets of practice paper

A couple of sheets of better paper – heavyweight cartridge is adequate.

Whatever pens you are familiar with – Mitchell 3 and 4 or equivalent.

Ink or gouache – colours of your choice.

If you can find some verses or prose in old or middle English so much the better – I have a few. But anything will do. If you want to add an illustration of Celtic origin I will bring some books that you can trace from.

We will have a great day.
